16x12	£580.00
18x12	£610.00
20x12	£640.00

Notes

Important Information

We offer a free installation service on all buildings within a 25 mile radius of our show site at Ombersley, this installation service is subject to site preparation being satisfactory.

All baseworks are the responsibility of the customer, as is the securing of the building once erected. We require a solid level base, ideally concrete, slab or decking upon which to install the building. If the base crumbles or moves in the future this could cause your building to shift meaning doors and windows would not work.

In the event of the base not being fit for purpose it is the responsibility of the customer to accept delivery of the building and store safely.

Our fitters will need a clear run from the delivery vehicle to the base to carry the building. If there are tight corners, height restrictions or any other obstructions you will need to make our office aware of this when ordering.

Always make allowance for any roof overhang when buildings have to go into confined spaces.

Wood is an organic product affected by different environmental conditions which can cause shrinkage, surface splits and colour change. We cannot accept responsibility for these naturally occurring changes.

Guaranteed for 12 months against faulty workmanship (subject to our terms and conditions, see website for full details).

All timber used in the construction of our buildings originates from sustainable sources.

Floor Size Conversion Chart

Imperial (ft)	Metric (m)
6x4	1.83 x 1.22
6x6	1.83 x 1.83
7x5	2.13 x 1.52
8x4	2.44 x 1.22
8x6	2.44 x 1.83
10x8	3.05 x 2.44
12x8	3.66 x 2.44
14x8	4.27 x 2.44
